

Trenton Educational Foundation

Staff Tribute Program

Spring 2016

Dear Parents,

Imagine an innovative program that recognizes the important contributions the staff of Trenton Public Schools has provided for our students. We are pleased to announce the Trenton Educational Foundation's Staff Tribute Program.

The Trenton Educational Foundation was established in 2008 to attract private funds for creative and innovative programs not available within stringent school budgets. The Foundation has awarded \$130,000 for projects over the last eight years.

At the end of the school year, many parents choose to show their appreciation to school staff members with gifts. Staff members greatly appreciate these gestures of gratitude. The Trenton Educational Foundation would like you to consider making a contribution to the Foundation in the name of the special staff member you wish to acknowledge. Your donation will be recognized by the Foundation and the staff member will be notified in writing of your thoughtful and meaningful gift.

The administrations of Trenton Public Schools and the Trenton Education Association have endorsed this program. We hope you will consider joining other parents in this effort.

To participate in the Staff Tribute program, use the form below. Additional forms are available in the offices of all the schools or on our website (www.trentonedfoundation.org). If you have any questions, you can contact Laura Trosien (Program chairperson) at ltrosien@hotmail.com. **Please submit by June 3, 2016.**

Cordially,
Norris Blackledge
Chairman

P.S. It takes more than tax dollars and a good staff to give our children the tools they need to succeed....it takes parents like you who care.

Detach and return this form with your donation to your child's school office.
